## Creative Art CPD Sessions for Primary Teachers

The Wilson Learning Team provides a variety of after-school CPD Workshops for teachers, offering the opportunity to learn new skills or develop existing ones, for use back in the classroom. All taking place in the Foyle Learning Centre at The Wilson Art Gallery & Museum, Clarence Street, Cheltenham on Thursday evenings, 5-7pm. Only £20 per person, materials and refreshments included.

### **4th October: Working with Willow**

Discover techniques for using this natural material on a small and large scale, for both individual and group projects.

### **6th December: Creative Mod Roc**

Investigate the versatility of this plaster bandage material to produce creative sculptures, models and casts.

### **7th February: Print & Pattern**

Inspired by the artist Orla Kiely, learn to use simple printing techniques to produce effective patterns.

### **25th April: Teaching Drawing**

Be taken step by step through the stages of drawing, broken down into manageable chunks for teaching.
