The Wilson Takeaway Loans Service: History, Religion and Art Resources for Loan

Orders are to be placed by e-mail to **learning@cheltenhamtrust.org.uk**. As Takeaway staff work part-time, always reply to this email address and not personal ones. Please place your orders early to ensure the boxes you want are available.

If what you require is not listed, please contact the learning team as additional items may be available for loan on request. Please note, any items not listed will require greater notice.

Loan Arrangements

The loans boxes are collected and returned by the borrower. The standard duration of each loan period is two weeks and a prompt return guarantees good service to all our customers. Should you require a longer loan, please inform the office, as special extensions may be feasible. A maximum of 4 boxes can be borrowed at once, and 10 items of taxidermy.

Contents Lists

In order to assist with the forward planning of lessons, events and displays, a full list of contents may be emailed to you, if requested when placing your order.

Payment Term

The annual subscription fee is currently £65 + VAT per academic year, for which invoices will be issued each September.

Care of Loan Boxes – A Guideline for Borrowers:

GUIDELINES FOR BORROWERS

For the benefit of all borrowers and to prolong the life of the loan items, please observe the following guidelines. Also, please supervise all handling of objects, as The Cheltenham Trust accepts no liability for injuries caused through the use of the artefacts and objects on loan from the Museum.

CARE OF LOANS

- Please do not expose items to strong sunlight, excessive heat, cold or damp
- Items should be handled with great care and under supervision only
- Please wash your hands before and after handling resource items
- Please notify us of any lost or damaged items immediately, as a charge may be incurred in respect of repair or replacement costs
- Please do not try on articles of costume, unless from an activity box
- Cotton gloves will be included in some costume boxes and should be worn when handling delicate garments
- Please do not use ink pens whilst working with the artefacts, only pencils
- Please do not use pins, sticky tape or glue for display materials, only Blue-tac
- Boxes should be stored and carried upright, use both handles
- Please seek assistance moving and carrying heavy boxes and cases
- Please re-pack boxes carefully using packing materials supplied
- Please collect and return your loans on the dates given
- ***Please use the checklist enclosed with your order to ensure contents are correct***
